To WizVision.com Pte Ltd

Dear Sirs,

Citibank has been providing highly functional web offering that features the ability to apply for, and manage just about any **Credit Cards Merchant Acquiring** product offered by the bank, making us the leading Online Merchants Acquiring provider.

Global Consumer Banking (GCB), Citibank Singapore, Credit Operations Department have been using the **Wiz-ePay Credit Card Payment System** since year 2001 and **Wiz-ePay 3D Secure MPI System** since year 2003 from Wizvision.com Pte Ltd in providing online credit card payment facility to our merchants in Singapore and the region.

GCB – Credit Operations wish to express our appreciation to Wizvision.com Pte Ltd for providing consistent quality services and support to our business.

Yours Sincerely,

Desmond Tan
Cards Project Manager
Credit Operations
Citibank Singapore - GCB
